

LAMP DISBURSEMENT TO BOOTH

Camp_____

Booth Number_____

Date_____

We have received the following items from the Community Safety Initiative of ARC International:

- Two (2) lanterns
- One (1) wick
- One (1) package of 10 matchboxes
- 5 liters of kerosene in a jerry can

We understand that we are responsible for the lighting, maintenance and care of these materials. We will develop a system for maintenance and use of the materials with the individuals residing in the booth. We also understand that these materials are intended to assist all individuals residing in the booth, and that no individual or family will have sole access to them.

We understand that these materials are the property of ARC International. In the event that we leave Booth number _____, we will contact the CSI Supervisor to transfer responsibility to those still residing in the booth or to return the items to ARC. When the Booth is emptied, lamps and any remaining materials will be handed over to ARC.
